

Dear Parents,

As we approach the end of the school year, we have a whole summer of organized events and activities that are sure to make your child's summer a blast! Below you will find a general overview of your student's schedule of events and some extra things that you can expect. For a more detailed calendar of activities, please refer to the TWYLA Summer website page at

TWYLA Spirit Days

Starting Monday June 6th, every Monday or Wednesday is going to be TWYLA Spirit Day. There will be a different theme each week and your child can dress out of uniform according to the theme. The cost per child is \$1.00 each time they choose to dress up. Each classroom will have a treasure box located in the lobby that the students will be able to drop their dollar in. At the end of summer, the class that raised the most money will win a pizza party. All proceeds will benefit The Foundation and help raise money for our next snow day in December, along with helping our classrooms' wish list.

Explorers

Starting Tuesday June 7th, every Tuesday, Wednesday, or Thursday there will be an Explorers class for EL1-LL1. The children will be doing different art activities, as well as sensory activities. Please refer to your child's class calendar for their class's day.
